- Keep out of reach of children.
- It is recommended that protective gloves and safety glasses be worn when using this product.
- Make sure there is adequate ventilation.
- Refer to M.S.D.S. for additional safety information.

HIMIS RATINGS

Wheel Coil & Finn Cleaner

Spray On . . . Rinse Off!

Cleans and restores the shine to wire, chrome and mag wheels, wheel covers, and auto grills. Also cleans coils and fins on air conditioning units. Just spray on and rinse off!

FOR CLEANING AUTOMOTIVE WHEELS:

Mix 1:1 with water. Hose down wheels with water, then apply by spraying a generous amount of solution. Leave solution on for NOT OVER 2 MINUTES before rinsing thoroughly with water.

WARNING: DO NOT LEAVE ON WHEELS FOR OVER 2 MINUTES BEFORE RINSING. LONGER PERIOD OF TIME WILL RUIN SURFACES. HARMFUL TO WINDSHIELDS, GLASS SURFACES AND PAINT. DO NOT USE ON CLEAR COATED CHROME WHEELS, ANODIZED OR PAINTED WHEELS.

FOR CLEANING AND BRIGHTENING OF CONDENSER COILS, FINNS AND OTHER PARTS:

Apply only when unit is not running. Dilute 1:2 with water. Pour liberal volume of mixture on top of coil. Wait a few minutes, and repeat application. Rinse, by hosing off with water. Extremely dirty coils may have to be treated repeatedly for best results.
