

AERO® D'Limonene  
Degreasers are designed for a  
broad range of applications  
from light-duty institutional  
cleaning to heavy-duty  
industrial degreasing.

# aero

## FOR DEGREASING DEODORIZING & DECLOGGING

- Natural orange terpenes
- Water rinsable, water dilutable
- Concentrated
- Biodegradable
- No petroleum distillates
- Pleasant citrus fragrance

**USED IN:** Sewage Plants • Service Stations • Garbage Trucks  
• Automotive Plants • Theaters • Locker Rooms • Rest Rooms • Schools  
• Restaurants • Office Buildings • Apartments • Nursing Homes  
• Hospitals • Commissaries

**USED TO:** Degrease Trucks • Declog Grease Traps • Remove Printer's Ink • Remove Tire Marks • Remove Soap Scum • Remove Decals • Clear Drains • Remove Adhesive • Clean Motors • Clean Equipment • De-Tar Vehicles and Loosen Chewing Gum from Carpets and Hard Surfaces (other than Plastic) • Clean Fuel Oil Deposits from Metal Surfaces

### DIRECTIONS

**TO DECLOG DRAINS:** Pour eight ounces of this product directly into drain. Let stand for one hour or more. Flush with hot water. For disposals, use the same procedure.

**TO CLEAN AND DEGREASE SURFACES:** Dilute four ounces of this product into one gallon of warm water. Apply solution generously to surface to be cleaned. Let stand for five minutes. Rinse thoroughly.

**FOR ODOR CONTROL:** Add two ounces of this product into one gallon of cold water. Apply through a sprayer to odor source. This product will immediately leave a fresh citrus scent.

### CONTAINS NO PETROLEUM DISTILLATES

**NOTE:** This product is a concentrated formula that may be harmful to plastics or painted surfaces. Always test surface in an inconspicuous area before using. Because this product is a powerful grease solvent, it will defat skin. This is an industrial strength concentrate. As with all products of this type, rubber or Viton® gloves are recommended with use. Store container closed and in an upright position when not in use.

Manufactured exclusively by:
