FRESH CITRUS SCENT

Really Works® contains the Superior Power of Pure Natural Citrus Oils. This ORIGINAL formula is preferred by Printers worldwide. The Fresh Citrus Scent is pleasant while cleaning up, yet it vanishes quickly and does not linger. Contains no artificial fragrances and is readily biodegradable, non-toxic and petroleum solvent free. Natural citrus oils make Really Works® a TOUGH, hard working Hand Cleaner that performs by wiping out Grime, yet treats your hard working hands with the care they deserve. The natural citrus oils and quality emulsifiers in Really Works® thick gel hand cleaner conditions your skin to help prevent drying and cracking.

Really Works® - using advanced micro-emulsion technology to make the finest quality cleaning systems.
