- Refer to M.S.D.S. for additional safety information.

HIMIS RATINGS

Santi-Wash Hand Soap Hand Wash Sanitizer

This product is a liquid hand soap based on an iodophor complex "authorized by USDA for use in federally inspected meat and poultry plants."

This product is an excellent skin cleaner and sanitizer which provides a quick and effective removal of transient bacteria which may contaminate the hands of plant workers after the handling of raw meat or poultry.

DIRECTIONS-

Wet hands and add a generous amount of this product and wash hands for one minute, making sure to work lather completely over hands and between fingers. Rinse thoroughly with potable water. This product must be dispensed from adequate dispensers located a sufficient distance from the processing line to prevent accidental
