HIMIS RATINGS

Institutional Laundry Detergent

Phosphate Free

A phosphate-free, heavy-duty laundry detergent that works well in hard or soft water (from 1 grain hardness to an excess of 30 grains). This product is suds controlled to give trouble free performance. The formula is free rinsing, and leaves fabrics clean and fresh smelling.

DIRECTIONS-

One to two cups (8-16 oz.) per 50 lbs load is sufficient for normally soiled materials. For excessive soil on collars and cuffs, pre-treat the soiled spots with a solution of 1 tablespoon to 1 cup of hot water and use brush.
