HMIS RATINGS

Morning Mist Pleasant Baby Powder Scent Odor Counteractant

This product is a highly concentrated liquid deodorant - specially formulated to control bad odors by three way action: Deactivates the source, neutralizes the malodor and provides a fresh, pleasant fragrance in the surroundings. Eliminates foul organic odor from carpets, floors, dirty linen baskets, cages, kennels, garbage compactors, etc.

Ideal for use in schools, hotels, hospitals, motels, restaurants, offices, industrial buildings, banquet halls, nursing homes, etc. This product controls odors in lavatories, air conditioning systems, reception rooms, lobbies, elevators, closets, locker rooms, storage rooms, waste containers.

Non-oily, non-staining. Can be applied directly on any surface. This product is a water soluble concentrate that may be diluted at the following rates with water.

General Use Air Spray - Dilute 1 part product to 3 parts water.

Apply by squirting concentrate directly on or around odor.

DIRECTIONS:

CARPETS - Mix 1 ounce of concentrate to 1 gallon of diluted shampoo. Controls musty odors.

HOSPITALS AND NURSING HOMES - Squirt directly on bed pans, urinals, dirty bed linens and used bandage collection areas. Controls foul organic odors. Dilute 1 part to 2 parts water.

MOTELS AND HOTELS - Squirt around each bed, carpet corners, toilets and in the corners of main lobby. Dilute 1 part to 3 parts water.

FLOORS - Use 1 ounce for every gallon of rinse water to provide a fresh clean fragrance as the floor is rinsed.

GARBAGE COMPACTORS - Dilute 4-6 ounces of concentrate in 1 gallon of water and spray directly into and around compactor. Destroys bad odors and freshens up surroundings.
