## SAFETY CAUTIONS

- FLAMMABLE. Keep away from fire or flame. Keep out of reach of children.
- For external use only. Do not get into eyes. If contact occurs, rinse thoroughly with water.
- Refer to M.S.D.S. and product label for additional safety information.

## HMIS RATINGS

**Active ingredient: Ethyl Alcohol 62%**

- Formulated with an emollient to help moisturize skin.
- This effective formula cleans hands while killing bacteria.
- Towels are made from a non-abrasive fabric that is gentle to skin.
- Unlike runny sanitizing gels, Aero HAND SANITIZING WIPES do not cause a mess.

**Directions-** Wet hands thoroughly with product and allow to dry without wiping. Recommended for repeat use.

*Children under six years of age should be supervised when using this product.*

Store below 110° F (43°C).

**Disposal:** Offer empty container for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush.

## DIRECTIONS FOR DISPENSING

- 1) Remove lid by lifting upward.
- 2) Pull one wipe from center of the roll and thread through "X" on the underside of the lid.
- 3) Close lid. Pull wipe from canister at 90° angle.
- 4) Snap hinged cap back into place to ensure towels stay moist.
