HMIS RATINGS

Stainless Steel Cleaner & Polish

SoyQuest STAINLESS STEEL CLEANER and POLISH is specifically designed for use on stainless steel, chrome, aluminum, brass, copper and most other metal surfaces. When applied as directed, this product will clean and restore a high luster while leaving a protective coating to aid in retarding tarnishing of the surface.

DIRECTIONS: Remove protective cap. Spray surface to be cleaned liberally. Wipe with a clean, damp cloth leaving a small amount of residue on the surface. With a clean, dry cloth polish to a high luster.
