

# aero degreasers/cleaners

The AERO® line of Degreasers/Cleaners contains butyl-based and non-butyl degreasers, concentrated and RTU, for a wide variety of industrial and institutional applications.

## HIGHLIGHTS

- Highly concentrated butyl degreaser
- Excellent for many industrial and institutional applications

## TYPICAL PROPERTIES

- Specific Gravity: **1.065**
- pH: **13.2**
- Total Alkalinity (as Na<sub>2</sub>O): **1.90%**
- Solvents: **8.0%**
- Solids: **12.1%**
- Appearance: **Clear blue liquid**
- Odor: **Butyl**
- USDA: **C-1**
- Kosher Certified

## SAFETY CAUTIONS

- Keep out of reach of children.
- It is recommended that protective gloves and safety glasses be worn when using this product.
- Refer to M.S.D.S. for additional safety information.

## HMIS RATINGS

## Attack Heavy Duty Butyl Degreaser

- **MAY ALSO BE USED AS A TRAFFIC LANE PRE-SPOTTER ON CARPETS**

A HIGHLY CONCENTRATED BUTYL DEGREASER WHICH DISSOLVES AND EMULSIFIES THE HEAVIEST OF GREASE ACCUMULATIONS. This product may also be used on carpet as a TRAFFIC LANE PRE-SPOTTER to loosen tough water and oil-based stains on carpet before extraction or shampoo cleaning.

## DIRECTIONS

Dilute 2 ounces per gallon of water for general degreasing and routine maintenance. Higher concentrations may be required where heavy grease accumulations exist.

**CARPET PRE-SPOTTER:** Dilute 2-6 oz. per gallon of water depending on the amount of soil. Spray carpet lightly holding sprayer 12" to 16" from the surface. Avoid overwetting. Allow solution to remain on carpet 5-10 minutes before extraction. This product is moderately alkaline and therefore not recommended on stain-resist (5th generation) carpets.
