## Automotive Carpet Shampoo & Deodorizer

### Spray On / Wipe Off

**AUTOMOTIVE CARPET SHAMPOO and DEODORIZER** quickly removes stains such as grease, oil, tar, grime, gunk, crayon, shoe polish, lipstick, fresh paint, carbon paper, butter and makeup from carpeting, fabrics, etc. Excellent for pet stain and odor control. This product is ideal for automobiles, boats, vans, trucks, buses, planes, or other motor vehicles. Water based and contains no ozone depleters.

### DIRECTIONS:

**NOTE:** Always test first in an inconspicuous area to be certain of color fastness. Vacuum or brush clean surface to remove excess dirt. Shake can well. Spray liberally onto surface to be cleaned in a sweeping side-to-side motion. Be sure to saturate area so product can reach deep into surfaces such as carpet. Work foam into surface with a sponge, brush or damp cloth. Allow foam 5 minutes to lift and suspend deposits. Wipe or blot surface with clean cloth or vacuum if appropriate. Repeat applications may be required for heavily soiled areas. Heavy duty stains such as coffee or urine may require spraying and leaving for up to 30 minutes before wiping or blotting. To avoid spotting, protection from overspray may be necessary for nearby areas.
