#### HMIS RATINGS

## Total Release Fresh-n-Clean Room Deodorizer

Stops unwanted odors and deodorizes the air in bathrooms, kitchens and any other areas where a malodor exists. Total Release Fresh-n-Clean delivers an ultra fine mist to effectively freshen rooms up to 6,000 cubic feet. Formulated to neutralize tough odors, such as sulfides (from eggs, garlic and onion), amines (from fish) and pyridine (from tobacco smoke).

#### DIRECTIONS FOR USE

See label for complete use directions and precautionary statements.

Do not use this unit in an area less than 100 cubic feet. Place can on raised surface near middle of room. Spread paper or cloth directly below can for protection. To lock valve into open position for total discharge, press valve button all the way down locking the catch. Leave room immediately. Ventilate area for 30 minutes before re-entering. NOTE: valve can be operated to give short bursts of spray by lightly depressing valve and pointing can to area to be sprayed.
