### Safety Solvent Degreaser

A highly concentrated solvent designed to remove dirt, grease, oil and grime from motors and other equipment without disassembly. Cleaning is quick and simple without the danger of injury to working parts. Ideally suited for use on ice machines, vending machines, and other refrigeration units where water clean-up is a problem. Also use on electric motors even while running, electric equipment, generators, power tools, etc.

**NOTE:** Do not use on automated electronic process control or monitoring systems, computers, or data processing equipment. May effect certain plastics. Test before using.

### DIRECTIONS:

- Spray generously over the surface to be cleaned until completely wet.
- Allow the solvent to set for a minute, then wipe or rinse off with a second spray.
- Use only with adequate ventilation.

**WARNING:** Harmful or fatal if swallowed. Use only in ventilated areas. Vapor harmful.
