- Refer to M.S.D.S. for additional safety information.

HIMIS RATINGS

Deep Freeze Freezer Cleaner

A specially formulated blend of glycols and alcohols with surfactants designed for easy and efficient cleaning of freezers.

DIRECTIONS-

- Spray on walls, floor, etc. of freezer and allow to stand a few minutes for DEEP FREEZE to penetrate dirt and grime.
- Wipe off with a soft cloth or sponge.
- For extra stubborn dirt and grime, scrub surface with brush, then wipe clean.
- For cleaning of chill boxes and refrigerators with milder temperatures, dilute DEEP FREEZE with an equal amount of water. Spray on surface to be cleaned and wipe off with soft cloth or sponge.
