HMIS RATINGS

Big Orange Deodorant

This product is recommended for use on garbage waste, dump areas, sewer upkeep, street culverts, storm drains, gutters, sludge beds, pits, refuse and disposal grounds.

This product is an excellent deodorant for use in sewer lines.

DIRECTIONS:

As a sewer deodorant attach faucet and allow to drip in main line or pour in a small amount.

Use full strength to help in areas containing sulfide gases, odors, etc., spray area daily with a 1% to 2% water solution

As a deodorant spray for sanitary trucks and etc., cut approximately 20 parts water to 1 part concentrate.
