

aero[®] aerosol bench maintenance

AERO[®] brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.

HIGHLIGHTS

- Silicone Lubricant
- Non-staining
- Low odor
- May be used for incidental food contact

TYPICAL PROPERTIES

- Specific Gravity: **0.780**
- Viscosity: **<100 cps**
- Propellant: **Hydrocarbon**
- Spray Characteristics: **fine mist**
- Solids: **10% Food Grade Silicone**
- Appearance: **Clear colorless liquid**
- Odor: **Mint like**
- Net Weight: **13 ounces**
- USDA: **H-1**

SAFETY CAUTIONS

- Keep out of reach of children.
- Contents under pressure. Do not expose to heat or store at temperatures exceeding 120°F. Do not puncture or incinerate container. Wrap empty container and put in trash collection.
- Refer to M.S.D.S. for additional safety information.

Food Equipment Lube

Food Equipment Lube is a silicone-based spray for use as a lubricant with incidental food contact. May be used on machine parts and equipment in locations in which there is potential exposure of the lubricated part to food. For food plant and other industrial use.

DIRECTIONS:

- Thoroughly clean surface to be sprayed.
- Hold can 8 to 10" (20-25cm) from surface. Spray lightly with a sweeping motion. Avoid over-spraying.
- On sticking parts, work back and forth to allow good penetration.
- Wipe off excess with a clean cloth.
- Avoid contamination of food in the application and storage of this product.

CAUTION: Use only with adequate ventilation. Avoid excessive inhalation of fumes and repeated or prolonged contact with skin.
