HIMIS RATINGS

Tire Cleaner

Tire Cleaner needs no agitation, and only slight rubbing to remove the most stubborn stains. When properly used, will not harm aluminum or finished surfaces, and may be used on all rubber surfaces as well as porcelain finishes such as refrigerators, stoves, etc.

HARMLESS TO RUBBER

DIRECTIONS:

- For best results, wet tire, then spray on.
- Allow to stand for about 30 seconds, then hose tire off.
- Only heaviest curb marks and scuffs will require second application.
