HMS RATINGS

Really Werx Heavy-Duty Cleaner & Degreaser

Choose the right solution for your toughest cleaning jobs. **Really Werx** is a concentrated water based butyl cleaner and degreaser with a refined surfactant system that not only penetrates and lifts the grease and dirt from the surface, but emulsifies them as well. The multi-purpose, heavy duty cleaning action leaves surfaces clean and free of residue. This product is also ideal for use in automatic scrubbers because of its low-foaming ability.

DIRECTIONS:

- For general cleaning: Dilute 5 ounces of concentrate per gallon of water
- More concentrated dilutions may be required depending on the accumulations of grease and oily substances.
