

PB Free

Floor finish remover/wax stripper

PB FREE is an aggressive low odor non-ammoniated wax stripper. Contains no phosphates, no butyl, and no caustic. Excellent for use in hospitals and other areas where odor is a concern.

DIRECTIONS:

For light or medium build-up of wax, dilute 1 part product to 8 parts warm or hot water; for heavy build-up, dilute 1 part product to 4 parts warm or hot water. Apply the solution directly to the floor scrubbing vigorously with a mop or stripping pad. Allow to remain 5-10 minutes. Remove solution with mop, wet vacuum or automatic scrubber. Rinse twice with clean water. Let the floor dry before applying new finish or sealer.

Safety Cautions: Keep out of reach of children. Read label and SDS before use. Causes severe skin burns and eye damage. May cause respiratory irritation. Flammable liquid and vapor.

Refer to SDS for additional safety information.

Typical properties:

Specific Gravity:	1.0
pH:	11.5
Alkalinity (as Na ₂ O):	8.0%
Appearance:	Clear colorless liquid
Odor:	Mild
