Hi Speed Chain and Cable

- penetrates into cables & chains
- protects against friction, wear, rust and corrosion

This molibddium based lubricant for chains and cables will not sling off at high speeds. The unique solvent carrier system allows Hi Speed Chain and Cable to penetrate into the biggest cables and inhibit corrosion inside the cable.

DIRECTIONS

Shake well. Surface to be sprayed should be clean and dry. Remove protective cap. Hold container 6 to 12 inches from surface to be treated. Point opening in desired direction and spray.
