HMIS RATINGS

Right Stuff Degreaser & Deodorizer

Made from the highest quality orange solvent, **Right Stuff** is a truly remarkable 100% organic formulation which represents an exclusively new approach in one step degreasing and deodorizing. The natural, orange solvent of **Right Stuff** provides a multitude of added values such as odor control, unclogging drains, and the removal of tar and asphalt from most hard surfaces. This non-corrosive, multi-purpose product effectively strips grease and heavy oil deposits from practically any surface.

Directions: To declog drains, pour 8 ounces of concentrate directly into drain. Let stand for 1 hour or more. Flush with hot water. For disposals, use the same procedure. To clean and degrease surfaces, dilute 4 ounces of concentrate into one gallon of warm water. Apply solution generously to surface to be cleaned. Let stand for 5 minutes. Rinse thoroughly. For odor control, dilute 2 ounces of concentrate into one gallon of cold water. Apply through a sprayer to odor source. Right Stuff will immediately leave a fresh citrus scent.
